She mentioned a few vendor events that have taken place throughout the years such as Roaring Ranger Days, bull riding, and haunted hay ride. Mrs. Tovar is now the president of the REDC, and takes pride in creating momentum for the city. **2.** Mayor Robinson read aloud a statement from the city attorney regarding commissioners signing up to speak during Citizen's Presentation; I understand that one or more Commissioners has submitted citizen's comments cards to discuss items at citizens' comments that are City business. I've researched this question before about whether a City Councilmember can discuss at citizen's comments a topic over which the City Council can exercise its authority. The answer is no, because it is a violation of the Open Meetings Act. A Councilmember can't take their city hat off and act as a citizen during public comments when it is a topic that the City Council can exercise authority over. It's an end run around Open Meetings Act requirements that subject matter be posted on the agenda. I can't lay my hands on the AG opinion or case right now. I can send it later in the week. I just wanted to make you aware so that you can stay compliant. Commissioner Calvert asked that Mayor Robinson list the names of the ones who wanted to speak. Mayor Robinson stated Charlie Archer and Jared Calvert. **3.** Rob Lock stated he had flown in from Florida to speak about some of the plans he has. Mr. Lock owns an aircraft restoration facility in Florida. He states he had sent the City of Ranger a letter about 2 years ago and never received a response, but wanted to make known the interest he has in moving his facility to Ranger. Mr. Lock's business intels the rebuilding of high-end airplanes for high

-end people, but he cannot commit to building a large facility with all this over the head of the Ranger Airfield. 4. Larry Monroe announced there will be an Independence Day celebration, July 4, 2024, starting at 11:30 a.m. in the Veteran's Park and everyone is welcome.

**Agenda Item 03: Announcements from City Council or Staff-** 1. City Manager, Savannah Fortenberry, informed of stage 2 drought still being in effect and encourages everyone to conserve water. Commissioner Archer stated he had attended the meeting of the ECWSD and suggested that the city work with the district as well as the City of Eastland to get the word out in regards to conserving water by making announcements at large venues, such as churches. Mr. Archer also said thank you to the city guys for doing such a great job on a sewer issue he had recently at his residence. 4. Commissioner Calvert made the following statement regarding an imminent threat to the public health and safety of the people of Ranger; "On December 1, 2023, I made a Facebook post still up public where I noted the Christmas Parade is tonight, I encourage all those attending to use caution and I posted pictures of buildings with broken out glass and falling down structures. I have tried to put on the agenda a personnel director that is a licensed code enforcement person to address buildings, just like the one across the street that I have been on the council for over two years now and that agenda item was denied. We need someone in the city to take care of these buildings, such as the Gholson. About two months after I made that post encouraging those attending the parade to use caution, a huge chunk of a building fell off onto the sidewalk." Mr. Calvert also stated, I am trying to effectuate the change I ran on and I want to discuss a position to help our town be safer and healthier for everyone in it and I am being denied to even discuss it and I want the public to know that. 5. Quoting “alignment, appointments and replacement” I became aware the word “REMOVAL” was not mentioned. We all know there cannot be any “alignment, appointments or replacements” without a “removal.” If the council considers any removal of a director from the board I would like to recommend and suggest:

- The appointment or replacement process should follow the same process as this current EDC board was appointed by the council
